1. INTRODUCTION

1.1 Purpose

1.1.1 The University of Tennessee, hereinafter referred to as the Owner, has issued this Request for Proposals (RFP) with attachments to define service requirements; solicit proposals; detail proposal requirements; and outline the process for evaluating proposals and select a contractor using the State of Tennessee’s Construction services procurement method identified as Best Value Procurement Option One.

Campus Beautification Projects 2011/2012 (Torchbearer Plaza)
SBC No. 540/009-04-2006

1.2 Scope of Services

1.2.1 RFP Attachment 1 provides an Agreement Between Owner and Contractor.

1.2.2 RFP Attachment 6 includes the Project Description for the scope of services for this project.

1.3 Nondiscriminatory Participation

1.3.1 Through this RFP the Owner seeks to procure the best services at the most favorable, competitive prices and to give all qualified businesses, including those that are owned by minorities, women, persons with a disability, and small business enterprises, opportunity to do business with the Owner.

1.3.2 No person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the State’s contracted programs or activities on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by federal or Tennessee State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the State of Tennessee or in the employment practices of the State’s contractors. Accordingly, all vendors entering into contracts with the State of Tennessee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

1.3.3 The Owner has designated the following contact to coordinate compliance with the nondiscrimination requirements of the State of Tennessee, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, and applicable federal regulations.

1.4 Assistance to Proposers with a Disability

1.4.1 A Proposer with a disability may receive accommodation regarding the means of communicating this RFP and participating in this RFP process. A Proposer with a disability should contact the RFP Coordinator to request reasonable accommodation no later than the Pre-Proposal Conference.

1.5 Diversity in Contractual Relationships

1.5.1 It is the express desire of The University of Tennessee and the State Building Commission to include an emphasis on diversity in its contractual relationships with contractors for the construction, demolition or renovation of State projects under jurisdiction of the Commission. The Commission acknowledges that firms who demonstrate and embrace diversity within their programs and policies are assisting the State in achieving its goals in building a more reflective marketplace of the community within this state.

2. RFP COMMUNICATIONS

2.1 Request for RFP Communications

2.1.1 THE OWNER will convey all official communications and addenda pursuant to this RFP to the potential Proposers from whom the RFP Coordinator has received a Request for RFP Communications in writing, by letter or by email, with the request clearly indicating the potential Proposer’s organization name and the name and title of a contact person with their telephone number and email address.

2.1.2 The Request for RFP Communications shall be made no later than the date of the Pre-Proposal Conference detailed in the RFP Advertisement. Such request creates no obligation and is not a prerequisite for making a proposal.

2.2 RFP Communications Process

2.2.1 Unauthorized contact regarding this RFP with employees or officials of the Owner or of the State of Tennessee other than the RFP Coordinator detailed below may result in disqualification from this procurement process.

2.2.2 Interested parties and potential proposers must direct all communications regarding this RFP to the following RFP Coordinator, who is the Owner’s official point of contact for this RFP.

Michelle Crowder, RFP Coordinator
Division of Facilities Planning
The University of Tennessee
5723 Middlebrook Pike, Suite 119
Knoxville, TN 37996-0040

Telephone: (865) 974-2231
Email: designer@tennessee.edu

2.2.3 Notwithstanding the foregoing, Interested Parties may contact the staff of the Governor’s Office of Diversity Business Enterprise for general, public information regarding this RFP, assistance available from the Governor’s Office of Diversity Business Enterprise, or potential future Owner procurements.
2.2.4 The State Building Commission Number (SBC No.) for the project must be referenced in all communications regarding the RFP.

2.2.5 Any oral communications shall be considered unofficial and non-binding with regard to this RFP.

2.2.6 Each Proposer shall assume the risk of the method of dispatching any communication or proposal to the Owner. The Owner assumes no responsibility for delays or delivery failures resulting from the method of dispatch. “Postmarking” of a communication or proposal shall not substitute for actual receipt of a communication or proposal by the Owner.

2.2.7 Only the Owner’s official written responses and communications shall be considered binding with regard to this RFP.

2.2.8 The Owner reserves the right to determine, at its sole discretion, the method of conveying official written responses and communications pursuant to this RFP such as by letter, by fax, by email, or by Web site posting.

2.2.9 Any data or factual information provided by the Owner, in this RFP or an official response or communication, shall be deemed for informational purposes only, and if a Proposer relies on such data or factual information, the Proposer should either: (1) independently verify the information; or, (2) obtain the Owner’s written consent to rely thereon.

3. **PRE-PROPOSAL CONFERENCE AND PROPOSER COMMENTS**

3.1 **Pre-Proposal Conference**

3.1.1 A Pre-Proposal Conference will be held at the time, date, and location detailed in the RFP Advertisement. Attendance is not a prerequisite for making a proposal.

3.1.2 The purpose of the conference is to discuss the RFP scope of services and contract requirements. While questions will be entertained, the oral response to any question at the conference shall be considered tentative and non-binding with regard to this RFP.

3.2 **Proposer Comments and Waiver of Objections**

3.2.1 Each Proposer shall carefully review this RFP and all attachments for comments, questions, defects, objections, or any other matter requiring clarification or correction, collectively called Comments. Comments must be made in writing and received by the RFP Coordinator no later than five calendar days after the date of the Pre-Proposal Conference.

3.2.2 A Proposer’s protests based on any objections concerning the RFP shall be considered waived and invalid if Comments relevant to the objections have not been brought to the attention of the Owner, in writing, no later than five calendar days after the date of the Pre-Proposal Conference.

3.3.3 The Owner reserves the right to determine, at its sole discretion, the appropriate and adequate responses to Comments. The Owner’s official responses to Comments and other official communications pursuant to this RFP shall constitute an addendum to this RFP.
4. PROPOSAL REQUIREMENTS AND PROCESS

4.1 Deadline

4.1.1 Proposals must be submitted to the RFP Coordinator no later than the Proposal Deadline date and time detailed in the RFP Advertisement. A late proposal will not be accepted. A Proposer's failure to submit a proposal before the Proposal Deadline shall cause the proposal to be disqualified.

4.1.2 The Proposal Deadline time shall be established by the timepiece of the Owner.

4.2 Proposal Contents

4.2.1 A proposal must respond to the description of Best Value scope of services, contract requirements, and proposal requirements described in this written RFP and any RFP attachments, exhibits, or addenda.

4.2.2 Each Proposer must submit a proposal in response to this RFP with the most favorable terms that the Proposer can offer in recognition that there will be no best and final offer procedure.

4.2.3 No portion of a proposal may be delivered orally or by any means of electronic transmission.

4.2.4 A proposal in response to this RFP shall consist of 2 parts which will include the following three documents, each of which is further described in a later section and in an RFP attachment.

Part 1
- Certification Statement (RFP Attachment 2)
- Technical Proposal (RFP Attachment 3)

Part 2
- Bid Form (RFP Attachment 4)

4.2.5 Each Proposer must submit seven copies of the Technical Proposal in a separately sealed package with a single digital file copy in .pdf format on a disc or flash drive. The digital file should not exceed 20 MB and should be named using the following format: (Firm Name) UTK CB-TP.pdf that is clearly marked as follows.

Technical Proposal
Best Value Procurement Option One
Campus Beautification Projects 2011/2012 (Torchbearer Plaza), UT Knoxville
SBC No. 540/009-04-2011
For RFP Coordinator Opening Only

4.2.6 Each Proposer must submit one original Certification Statement signed and dated by an individual empowered to contractually bind the Proposer.

4.3 Technical Proposal Requirements (Part 1)

4.3.1 No pricing information, except for what is specifically requested, shall be included in the Technical Proposal. Inclusion in the Technical Proposal of any direct or implied revelation of requested Cost Proposal information shall make the proposal non-responsive and the Owner will reject it.
4.3.2 Each Proposer shall use RFP Attachment 3 to guide organization of the Technical Proposal. Each Proposer shall duplicate RFP Attachment 3 for use as the Table of Contents for the Technical Proposal by adding proposal page numbers and the Proposer’s name as indicated. The Proposer must address all items for all sections and provide, in sequence, the required information and documentation with the associated item references.

4.3.3 The Technical Proposal shall be economically prepared, with emphasis on completeness and clarity of content, legibly written, brief, and to the point in a direct response to the information requested for each item. All material must be on standard 8 1/2" x 11" paper oriented either portrait or landscape with exceptions permitted for foldouts containing non-text information such as charts and spreadsheets.

4.3.4 All pages must be numbered.

4.3.5 The Technical Proposal shall not exceed 30 pages including photo pages, charts, spreadsheets, and appendices. Pages or sheets with print on both sides will be counted as two pages. Binding covers, a one page transmittal letter, table of content pages, and divider tabs may be provided in addition to the maximum of 30 pages.

4.3.6 All information included in a Technical Proposal shall be relevant to a specific requirement detailed in RFP Attachment 3. All information must be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will in no way contribute to the evaluation process.

4.4 Bid Form (Part 2)

4.4.1 Requested short list proposers shall record and submit Bid information on a Bid Form similar to that shown on RFP Attachment 4. The official Bid Form, Instructions to Bidders, Bidding Documents, and Bid Envelope will be included in a Bid Pack.

4.4.2 The Designer will issue the official Bid Pack to the short listed proposers.

4.4.3 The Instructions to Bidders will include a requirement that each Bidder prepare a Bid that utilizes a Plumbing Subcontractor, an HVAC Subcontractor, an Electrical Subcontractor, and a Masonry Subcontractor that is identified on an Eligible Subcontractor List provided within the Instructions to Bidders and identify such on the Bid Envelope cover in the section entitled “Subcontractors to be used on this Project”. The Eligible Subcontractor List will be developed by the Owner from the lists of prequalified Plumbing, HVAC, Electrical, and Masonry Subcontractors provided in the Qualifications of the highest evaluated Proposers.

4.5 RFP Addenda and Cancellation

4.5.1 The Owner reserves the unilateral right to issue addenda to this RFP in writing at any time.

4.5.2 The Owner reserves the right, at its sole discretion, to cancel and reissue this RFP or to cancel this RFP in its entirety.

4.6 Proposal Prohibitions and Right of Rejection

4.6.1 The Owner reserves the right, at its sole discretion, to reject any and all proposals in accordance with applicable laws and regulations.

4.6.2 Each proposal must comply with all of the terms of this RFP and all applicable State laws and regulations. The Owner may consider non-responsive and reject any
A proposal that does not comply with all of the terms, conditions, and performance requirements of this RFP.

4.6.3 A proposal of alternate services (i.e., a proposal that offers services different from those requested by this RFP) may be considered non-responsive and rejected.

4.6.4 A Proposer shall not restrict the rights of the Owner or otherwise qualify a proposal. The Owner may determine such a proposal to be a non-responsive counteroffer and reject the proposal.

4.6.5 A Proposer shall not submit the Proposer’s own contract terms and conditions in a response to this RFP. If a proposal contains such terms and conditions, the Owner may determine, at its sole discretion, the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

4.6.6 A Proposer shall not submit more than one proposal. Submitting more than one proposal shall result in the disqualification of the Proposer.

4.6.7 A Proposer shall not submit multiple proposals in different forms. This prohibited action shall be defined as a Proposer submitting one proposal as a GC and permitting a second Proposer to submit another proposal with the first Proposer offered as a subcontractor. This restriction does not prohibit different Proposers from offering the same subcontractor as a part of their proposals, provided that the subcontractor does not also submit a proposal as GC. Submitting multiple proposals in different forms may result in the disqualification of all Proposers knowingly involved.

4.6.8 The Owner will reject a proposal if the bid was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other Proposer. Regardless of the time of detection, the Owner shall consider any of the foregoing prohibited actions that are detected to be grounds for proposal rejection or contract termination.

4.6.9 The Owner will not contract with or consider a proposal from:

4.6.9.1 an individual who is, or within the past six months has been, an employee or official of the State of Tennessee;

4.6.9.2 a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee or official of the State of Tennessee (this shall not apply either to financial interests that have been placed into a “blind trust” arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);

4.6.9.3 a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee or official of the State of Tennessee in a position that would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,

4.6.9.4 any individual, company, or other entity involved in assisting the Owner in the development, formulation, or drafting of this RFP or its scope of services.
shall be considered to have been given information that would afford an unfair advantage over other Proposers, and such individual, company, or other entity may not submit a proposal in response to this RFP.

4.6.9.5 For the purposes of applying the requirements of Section 4.6.9, et. seq., an individual shall be deemed an employee or official of the State of Tennessee until such time as all compensation for salary, termination pay, and annual leave has been paid.

4.7 Waiver of Variances

4.7.1 The Owner reserves the right, at its sole discretion, to waive a proposal's variances from full compliance with this RFP. If the Owner waives minor variances in a proposal, such waiver shall not modify the RFP requirements or excuse the Proposer from full compliance with such. Notwithstanding any minor variance, the Owner may hold any Proposer to strict compliance with this RFP.

4.8 Proposal Information Not Correct, Complete or Properly Organized

4.8.1 If the Owner determines that a Proposer has provided, for consideration in this RFP process or subsequent contract negotiations, incorrect information that the Proposer knew or should have known was materially incorrect, the Owner may determine such a proposal to be non-responsive and reject the proposal.

4.8.2 The Owner may determine a proposal to be non-responsive and reject it if the proposal fails to appropriately address or meet all of the requirements.

4.8.3 The Owner may determine a proposal to be non-responsive and reject it if the Proposer fails to organize and properly reference the proposal as required.

4.9 Proposal Withdrawal

4.9.1 A Proposer may withdraw a submitted proposal at any time up to the Proposal Deadline time and date detailed in the RFP Advertisement. To do so, a Proposer must submit a written request, signed by a Proposer's authorized representative to withdraw a proposal. After withdrawing a previously submitted proposal, a Proposer may submit another proposal at any time up to the Proposal Deadline.

4.10 Proposal Errors and Amendments

4.10.1 Each Proposer is liable for all proposal errors or omissions. A Proposer will not be allowed to alter or amend proposal documents after the Proposal Deadline time and date detailed in the RFP Advertisement unless such is formally requested, in writing, by the Owner.

4.11 Proposal Preparation Costs

4.11.1 The Owner will not pay any costs associated with the preparation, submittal, presentation, or contracting of any proposal.

4.12 Disclosure of Proposal Contents

4.12.1 Each proposal and all materials submitted to the Owner in response to this RFP shall become the property of the Owner. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information, shall be held in confidence during the evaluation process. Notwithstanding, a list of
actual Proposers submitting timely proposals may be available to the public, upon request, immediately after Technical Proposals are opened by the Owner.

4.12.2 Upon the completion of the evaluation of proposals the proposals and associated materials shall be open for review by the public in accordance with Tennessee Code Annotated, Section 10-7-504(a)(7). By submitting a proposal, the Proposer acknowledges and accepts that the full proposal contents and associated documents shall become open to public inspection.

4.13 Licensure

4.13.1 A Proposer must be a licensed General Contractor in the State of Tennessee. Before a Contract pursuant to this RFP is signed, the Proposer and its personnel, if applicable, must hold all necessary, applicable business and professional licenses as may be required for specific services. The Owner may require any or all Proposers to submit evidence of proper licensure.

4.13.2 Proposers shall be familiar with the Contractors Licensing Act of 1994, as currently amended (codified in Tennessee Code Annotated Sections 62-6-101, et seq.). A contract will not be awarded to a Proposer whose proposal is in conflict with State licensing law.

4.14 Proposals by Joint Ventures

4.14.1 If a Proposer intends to submit a Proposal as a joint venture, then the following requirements shall apply:

1. For the purposes of this RFP, the Owner recognizes a joint venture as separate organizations or business entities that intend to combine professional or technical expertise and business experience, and to share contractual and project responsibilities in performance of a contract pursuant to this RFP.

2. Each joint venture participant shall meet the licensure requirements stated in the RFP.

3. Each joint venture participant shall meet the insurance requirements stated in the RFP.

4. Each joint venture participant shall individually provide all documentation required for review of financial responsibility and stability. The Owner will not recognize nor accept as a singular qualification, any combination of financial assets and resources from separate organizations or business entities submitting a Proposal in response to this RFP.

4.14.2 A subcontractor to a Proposer is not a joint venture participant.

4.15 Severability

4.15.1 If any provision of this RFP is declared by a court to be illegal or in conflict with any law, said decision shall not affect the validity of the remaining RFP terms and provisions, and the rights and obligations of the Owner and Proposers shall be construed and enforced as if the RFP did not contain the particular provision held to be invalid.
4.16 False Statement, Misrepresentation or Omission.

4.16.1 Any false statement, misrepresentation, or omission regarding a material fact concerning any aspect of a Proposer’s submittals shall render the Proposer ineligible for award. The failure to submit information and documentation required by this RFP may also render the Proposer ineligible for award.

4.16.2 In the event a contract is awarded to the Proposer and it is later determined that the Proposer failed to disclose requested information, or made a false statement, misrepresentation or omission regarding a material fact concerning any aspect of this RFP, the Proposer may be considered in default and the Owner may terminate the contract immediately and/or withhold full or partial payment as it deems appropriate. In addition, the Owner may seek other available remedies to which it is entitled by law, including, but not limited to, debarment.

4.17 Completeness/Accuracy of Submittals.

4.17.1 The Proposer shall be fully responsible for and bound by all information and data included in any and all of its submittals and any appendices or attachments thereto.

4.17.2 It is the Proposer’s responsibility to ensure that all information and data provided in any and all of its submittals in connection with this RFP are truthful, accurate and complete.

4.17.3 In the event that there are any material changes in the operations, management or performance capabilities of the Proposer or its listed subcontractors that may impact performance of the Contract Work after the submission of the documents, but prior to the award of the project, the Proposer shall immediately notify the Owner and inform it of the details of any such changes.

4.18 Proposal Evaluation Guide

4.18.1 The Owner will be guided in the evaluation of proposals by the process described herein. The evaluation process is designed to establish the top three qualified contractors who meet all the requirements and score at least the established minimum required points. The top three qualified proposers will be asked to participate in bidding the project.

4.19 Evaluation Process

4.19.1 After the Proposal Deadline the RFP Coordinator will open and review each Technical Proposal for a “Pass” or “Fail” evaluation based on compliance with each of the Mandatory Requirements detailed in Section A of RFP Attachment 3 and the following Proposal format and content requirements.

1. Received on or before the Proposal Deadline.
2. Seven copies submitted and packaged as required.
3. Formatted as required and does not exceed size or page number limits.
4. Contains no cost data, except as requested.
5. Proposer did not submit alternate proposals.
6. Proposer did not submit multiple proposals in a different form.
7. Does not contain any restrictions of the rights of the Owner or other qualification of the proposal.

4.19.2 If the RFP Coordinator determines that a proposal may have failed to meet one or more of the “Pass or Fail” criteria or the Proposal format and content requirements,
the Evaluation Team, described herein, will review that proposal and make its own
determination, documented in writing, of whether (1) the proposal meets requirements
for further evaluation or (2) the Owner will request clarifications or corrections to
enable further evaluation or (3) the Owner will determine the proposal non-responsive
to the RFP and reject it.

4.19.3 An Evaluation Team made up of three or more Owner employees will evaluate each
Proposal. The Evaluation Team will utilize technical advisers as appropriate for their
evaluation.

4.19.4 The Owner reserves the right to contact references provided by the Proposer and any
other source available for reference information.

4.19.5 Each Evaluation Team member will independently evaluate and assign points for each
Proposal in accordance with the established evaluation criteria and associated
possible points for each.

4.19.6 The Owner reserves the right, at its sole discretion, to request Proposer clarification of
submittals or to conduct clarification discussions with any or all Proposers. Any such
clarification or discussion shall be limited to specific sections of the proposal identified
by the Owner. The subject Proposer shall put any resulting clarification in writing as
may be required by the Owner.

4.19.7 The Owner reserves the right to receive an oral presentation from a Proposer. Oral
presentation topics and the number of firms presenting are at the sole discretion of the
Owner.

4.19.8 Using the scores from the Evaluation Team, the RFP Coordinator will develop scores
for Technical Proposals in accordance with RFP Attachment.

4.19.9 Part 1 – After Technical Proposal evaluations are completed the RFP Coordinator will
advise all proposers of the top evaluated proposals (up to three).

4.19.10 Part 2 – No more than three proposers evaluated best in Part 1 will be invited to
participate in the Bidding.

4.19.11 Upon receipt of the Bid Form, the RFP Coordinator or UT Facilities Planning Project
Manager will open the Bids and establish the low Bid that has been submitted.

4.19.12 The Owner reserves the right to request CPA audited or reviewed financial statements
prepared in accordance with generally accepted accounting principles from the
apparent best-evaluated Proposer prior to the final award of the contract. If the
requested documents do not support the financial stability of the Proposer the Owner
reserves the right to reject the proposal.

5. CONTRACT REQUIREMENTS AND PROCESS

5.1 Assignment and Subcontracting

5.1.1 The Proposer awarded a contract pursuant to this RFP shall not transfer or assign any
portion of the contract without the Owner’s prior, written approval.

5.1.2 A subcontractor may only be substituted for a proposed subcontractor at the discretion
of the Owner and with the Owner’s prior, written approval.

5.1.3 At its sole discretion, the Owner reserves the right to refuse approval of any
subcontract, transfer, or assignment.
5.1.4 Notwithstanding the use of subcontractors, the Successful Proposer awarded a Contract under this RFP, shall be the prime contractor and shall be responsible for all work performed.

5.2 Right to Refuse Personnel

5.2.1 At its sole discretion, the Owner reserves the right to refuse any personnel of the General Contractor or a subcontractor for use in the performance of a contract pursuant to this RFP.

5.3 Insurance

5.3.1 Before entering into a contract the Owner will require the apparent successful Proposer to provide a Certificate of Insurance in accordance with RFP Attachment 1. Failure to provide such insurance certificate is a material breach and grounds for termination of contract negotiations.

5.4 Contract Award Process

5.4.1 The RFP and the Best Value Option One selection processes do not obligate the Owner and do not create rights, interests, or claims of entitlement in either the Proposer with the apparent best-evaluated proposal or any other Proposer. Contract award and the Owner obligations pursuant thereto shall commence only after contract approval of all State officials as required by State laws and regulations and not prior to the contractor’s receipt of a fully signed contract.

5.5 Contract Payments

5.5.1 All contract payments shall be made in accordance with the contract’s provisions for Payment Terms and Conditions as detailed in RFP Attachment 1. No payment shall be made until the contract is approved as required by State laws and regulations. Under no conditions shall the Owner be liable for payment of any type associated with the contract or responsible for any work done by the GC, even work done in good faith and even if the GC is orally directed to proceed with the delivery of services, if it occurs before contract approval by the Owner as required by applicable statutes and rules of the State of Tennessee or before the contract start date or before the General Contractor’s receipt of a fully executed contract or after the contract end date specified by the contract.

5.6 General Contractor Performance

5.6.1 The General Contractor shall be responsible for the completion of all work set out in the contract. All work is subject to inspection, evaluation, and acceptance by the Owner. The Owner may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract.

Campus Beautification Projects 2011/2012 (Torchbearer Plaza)
UT Knoxville
SBC No. 540/009-04-2011

Design Team

Barge Waggoner Sumner & Cannon, Inc.

Project Description

The project includes renovation of two primary components of Circle Park: Component 1 – Renovation of the existing Circle Park lawn areas inclusive of tree preservation, new irrigation and grubbing and replacement of existing lawn areas with new sod. Component 2 – Removal and replacement of the existing walls and paving within the Torchbearer Plaza area. This effort will include replacement of the removed items with walls and paving that meet University design standards as well as new landscape plantings, irrigation and site furnishings.

Basic Scope of Construction Work

Landscape Architecture

All design of landscape and hardscape improvements associated with both components of the project.

Civil Engineering

Drainage improvements necessitated by the hardscape changes within Circle Park.

Project Status and Anticipated Schedule

The current schedule indicates issuing the construction documents to the three highest evaluated Proposers for preparation of bids on January 7, 2015. The construction period is anticipated to occur in two phases. Phase 1 will include Circle Park planting and redevelopment which will begin in mid-February and have a 10 week construction schedule. Phase 2 will begin immediately following the Spring 2015 Commencement and have a 12 week construction schedule.

Project Construction Budget

Estimated Construction Costs: $770,000.00
