**REQUEST FOR QUALIFICATIONS (RFQ)**

**DESIGNER for**  
**Neyland Stadium South Renovations**  
**UT Knoxville**  
**SBC No. 540/009-02-2017**  
**September 15, 2017**

The University of Tennessee (Owner) issues this RFQ to qualified Designers interested in providing architectural, engineering, and consulting services for the complete design, contract documents, and construction administration of the Neyland Stadium South Renovations project on the UT Knoxville campus. The Owner intends to enter into an agreement with a Designer that will deliver design services enabling construction of a facility having the highest possible quality within the available funding and the required schedule. Qualifications Statements in response to this RFQ shall be submitted in accordance with the requirements provided herein.

**Summary of Project and Required Designer Services**

This project will provide renovations of the south ground and concourse levels and include relocating visitor locker room, addressing life safety issues in the seating areas, correcting safety regulations at the field level, and demolition of the south concourse area. The renovation of this facility is anticipated to span over multiple phases pending approvals by the UT Board of Trustees and the State Building Commission. However, this first phase will solely concentrate on work associated with the approved total project budget of \$106,000,000 (MACC \$86,130,000).

A Design fee budget of \$5,553,577 has been established for these services based upon the current State approval amount for the MACC. However, the Owner, at its sole discretion, may revise the MACC and corresponding Designer's fee. The Multiplier as related to Articles 2.3.2 - 2.5 for the SBC-6 are subject to negotiation, and a multiplier may not apply. All travel expenses for designer and their consultants are not reimbursable per the SBC-6a.

All Designers must register with the Office of the State Architect to be able to enter into an agreement for this work. A Designer will be selected, approved, and retained under State Building Commission policy and standard Owner agreements and procedures as provided in the UT Designers' Manual found through the following web link.

## **Qualifications Statement Required Information and Scoring**

### **Designer Forms of Business**

Any form of business arrangement with consultants or joint venture partners may be proposed. However, the Owner requires that a single Designer contract with the Owner and serve as the primary contact, project leader, administrative manager and single source of responsibility, with any necessary business partners and consultants serving under that Designer's management. The Owner also prefers that this Designer have its principal place of business located in the State of Tennessee.

A Qualifications Statement that is submitted by a Designer with supporting partners or as a joint venture will be evaluated on the combined experiences of the individual member firms as performed through the previous joint venture agreement.

### **A. Designer Information** (Pass/Fail scoring)

A.1 Provide the Designer's name, address, website address, and number of years in business.

A.2 Provide the name, e-mail address, mailing address and telephone number of the primary contact for the Designer.

A.3 This project will be evaluated based on the Designer(s) providing Basic Services only including utilizing the services of various consultants as provided in B.3 of this RFQ. Provide a statement that confirms that the consultants listed are included in Basic Services and there are no consultants listed for which additional services are expected. This statement must be signed by a principal of the submitting firm.

A.4 Provide a statement of whether the Designer, its consultants or any individual who shall perform work under this contract has a possible conflict of interest (e.g., employment by the State of Tennessee) and, if so, the nature of that conflict.

A.5 Provide a list of current projects on which your firm is committed, the status and what services are being provided.

### **B. Qualifications and Experience** (Maximum Score: 70 Points)

B.1 Describe the Designer's qualifications to deliver the services needed for this project in regard to the following.

- The form of business and the general credentials of the Designer.
- The proposed personnel experience in working together on projects. Identify up to five example projects which required the collaborative effort of the Designer and consultant's personnel, and their specific role in the projects.
- The firm's sustainable design capabilities including experience with State of Tennessee Sustainable Design Guidelines or The Tennessee High Performance

Building Requirements, sustainable design credentials of personnel, and example sustainable design projects.

B.2 Provide the following information on up to five of the Designer's or consultant's projects that have been completed within the last ten years and are of similar type, scope, and complexity.

- Extent of services provided for each project.
- A reference (by an Owner representative) for each project including contact name, address, telephone number, email address. The Owner may contact references as well as any other source available.
- Photographs for each project.
- Design and construction schedules
- Construction Cost and effected square footages
- Key project components to identify:
  - Stadiums
    - Circulation areas for both horizontal and vertical
    - Entry Gates
    - Concourse expansions
    - Suites
    - Auxiliary spaces
    - Premium Kitchens and Commissaries
    - Concessions spaces
    - Premium Suites and Clubs
  - Plazas
  - ADA Review
  - Technology Integrated Spaces
    - Wi-Fi Distribution
    - Sound
    - Video Systems
  - Exhibits and Display Spaces
  - Thematic Branding
- Example construction documents of each project may be requested if your firm is shortlisted.

B.3 Provide the resumes of key Designer and consultant personnel who shall be assigned to this project and describe their proposed role and time commitment to this project. Provide each individual's current position, years with the firm, education, licensing, professional credentials, and similar project experience.

B.4 Provide a matrix showing the relationship between the projects (B.2) and the Designer's and consultant's personnel (B.3). Show projects in columns and personnel in rows.

B.5 Provide the Designer and consultant office location(s) that will be supporting this project with the distance in miles to the project site. If the Designer and consultants have multiple locations serving this project describe how personnel from each location are involved.

**C. Technical Services** (Maximum Score: 30 Points)

C.1 Describe how the Designer will approach and document various aspects of the project: program confirmation, planning, design, architectural and engineering, contract documents, specifications, graphics, accessibility, data/AV services, building envelope, interiors, cost estimating, value engineering, sustainability, construction administration, etc. Describe how the Designer will adapt its approach to meet the requirements of the project.

C.2 Provide an organizational chart for this project illustrating lines of authority and specific staff proposed. The chart and related explanations shall describe the responsibilities of the personnel (Designer and consultants) and the lines of communication.

- Clarity of responsibility and communication
- Completeness and inclusion of key personnel and design phase which they will be involved.
- List all personnel and roles as described in B.3.

C.3 Provide a preliminary schedule for this project identifying the time appropriate for each phase/tasks for design and construction. Designers shall demonstrate their approach to meeting the schedule. Provide examples of experience in enabling Owners to meet aggressive project completion schedules.

- Describe in detail how the schedule will be met.
- Show examples of experience.
